

HOUSTON SPEL LTUF

SmartPlant Electrical Local Technical User Forum

Date: May 6, 2010

SPEL Technical User Forum

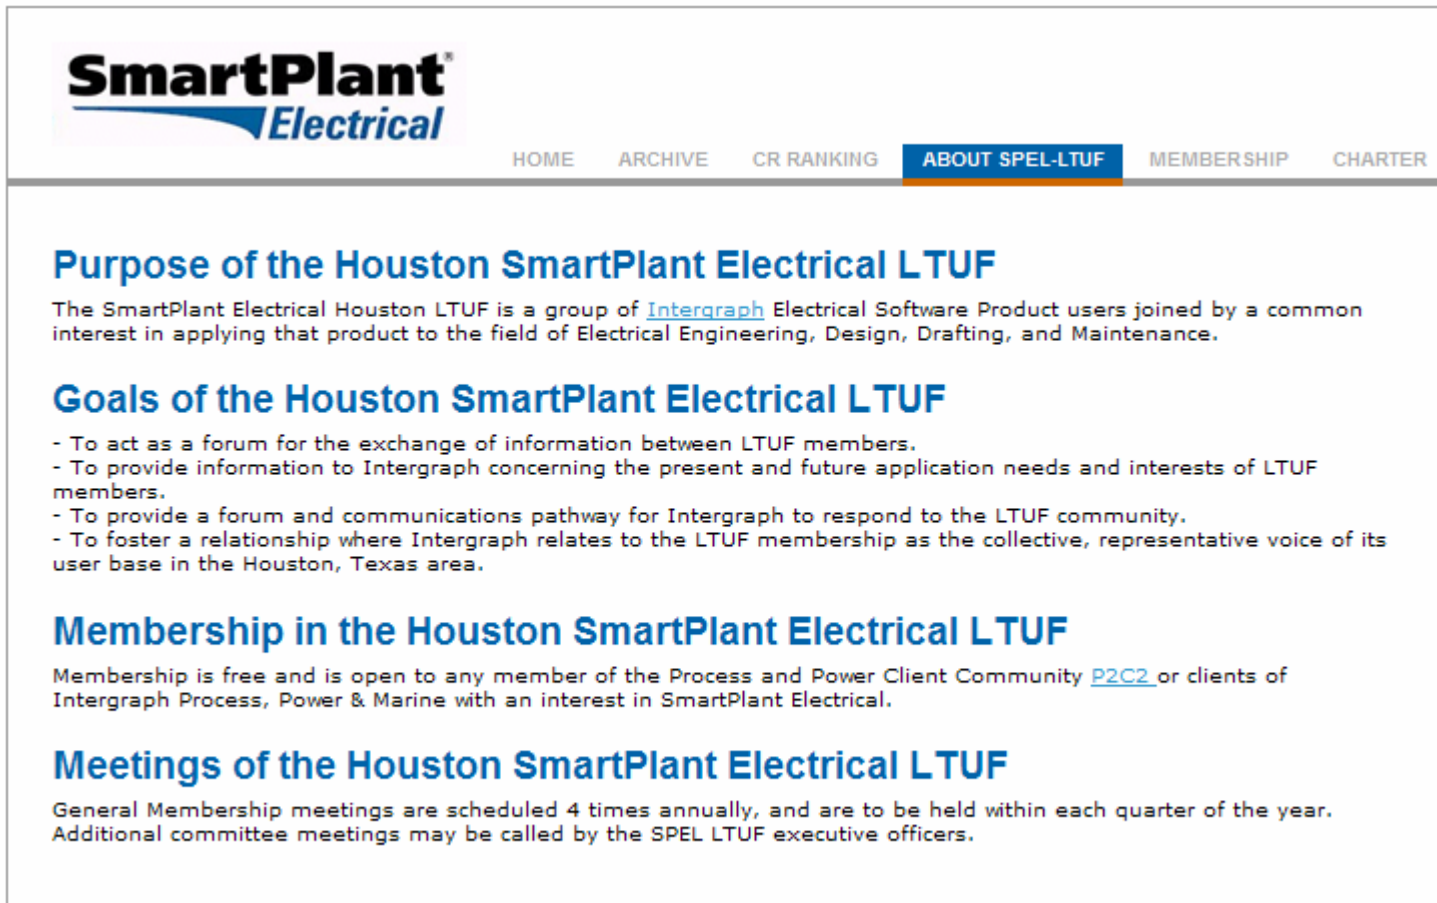

- To apply for membership in the SmartPlant Electrical Houston Technical Users Forum and get on the mailing list for meeting announcements, email [John Dressel](mailto:John.Dressel@fluor.com) with your name, company name, telephone number and email address.

The screenshot shows the website for the 2009 Global SPI / SPEL TUF forum. The header includes the SmartPlant Electrical logo and a navigation menu with links for HOME, ARCHIVE, CR RANKING, ABOUT SPEL-LTUF, MEMBERSHIP, and CHARTER. The main content area is divided into three columns:

- Intergraph Links:** A sidebar with the Intergraph logo and links to Smartplant Electrical, Intergraph Corporation, P2C2 Home, Join P2C2, Support, and Overload Service Inc.
- Welcome to the SPEL-LTUF:** The main heading, followed by "Houston SmartPlant Electrical Local Technical User Forum". It lists primary contacts: John Dressel (SPEL LTUF Chair), Majed Abouhatab (Acting SPEL LTUF Chair), and Scott Hendrickson (GTUF SPEL Chair), each with their telephone number and email address.
- Additional Information:** A sidebar with links to SmartPlant Electrical Key Features, Customer Stories, Additional Information, Complementary Software, Tour, and Product Sheet.

At the bottom of the page, there is a footer that reads "Terms of Use | Website provided by JED.WEB Design Services".

The screenshot shows a web page with the SmartPlant Electrical logo at the top left. A navigation menu includes links for HOME, ARCHIVE, CR RANKING, ABOUT SPEL-LTUF (which is highlighted), MEMBERSHIP, and CHARTER. The main content area features four sections: Purpose of the Houston SmartPlant Electrical LTUF, Goals of the Houston SmartPlant Electrical LTUF, Membership in the Houston SmartPlant Electrical LTUF, and Meetings of the Houston SmartPlant Electrical LTUF.

Purpose of the Houston SmartPlant Electrical LTUF

The SmartPlant Electrical Houston LTUF is a group of [Intergraph](#) Electrical Software Product users joined by a common interest in applying that product to the field of Electrical Engineering, Design, Drafting, and Maintenance.

Goals of the Houston SmartPlant Electrical LTUF

- To act as a forum for the exchange of information between LTUF members.
- To provide information to Intergraph concerning the present and future application needs and interests of LTUF members.
- To provide a forum and communications pathway for Intergraph to respond to the LTUF community.
- To foster a relationship where Intergraph relates to the LTUF membership as the collective, representative voice of its user base in the Houston, Texas area.

Membership in the Houston SmartPlant Electrical LTUF

Membership is free and is open to any member of the Process and Power Client Community [P2C2](#) or clients of Intergraph Process, Power & Marine with an interest in SmartPlant Electrical.

Meetings of the Houston SmartPlant Electrical LTUF

General Membership meetings are scheduled 4 times annually, and are to be held within each quarter of the year. Additional committee meetings may be called by the SPEL LTUF executive officers.
